QUARRY
INNOVATION CENTER

Built for Brisbane.

The Quarry Innovation Center is designed to deliver lasting environmental, economic, and community benefits for Brisbane. Here's what this means for the community.

Protecting the Mountain We Share

57%

of the quarry property permanently protected and maintained as open space on San Bruno Mountain

\$1.8M

estimated initial contribution to the San Bruno Mountain Habitat Conservation Plan, plus additional annual contributions forever

Creating Good Jobs for Working Families

560+

union construction jobs estimated to be supported during construction

1,000+

estimated permanent advanced manufacturing and innovation jobs

Bringing New Revenue to Brisbane

\$15M+

estimated initial revenue to the City of Brisbane

\$1.5M+ annually

estimated property taxes to support local services

A project designed to support Brisbane —
today and for decades to come.
